

About 3,000 years ago, Chinese Emperor Sin-Non declared that a daily cup of tea could "dissolve many poisons in the body."

Historical use of different teas in different ways and formulas, has given indications to:

- ✓ Prevention of normal cells becoming carcinogenic
- ✓ Regulation of cholesterol levels
- ✓ Reduced risk of hemiplegia (stroke)
- ✓ Reduced blood pressure controls
- ✓ Lower risk of epileptic seizures in laboratory animals
- ✓ Reduced blood sugar controls
- ✓ Weight loss

In 1994, the team of REDUCE FAT-FAST® succeeded with the help of weight loss specialists in finding a formula that could help people lose weight utilizing teas as the main active ingredients. REDUCE FAT-FAST® dietary supplement was born. It became a proprietorship formula with Java Tea (*Orthosiphon Stamineus*) and Green Tea (*Camellia Sinensis*) that with the exact amount of incipient became so successful it has sold so far in almost 100 countries for more than 20 years. This is the list of some of the countries:

USA, Belgium, France, Holland, Austria, Slovenia, Serbia, Kazakhstan, Philippines, Sri Lanka, Dominican Republic, Thailand, Malaysia, Guatemala, Salvador, Panama, Malta, Cyprus, Spain, Portugal, Canada, Greece, Venezuela, Ecuador, Brazil, France, Holland, Austria, Slovenia, Serbia, Netherlands, Paraguay, Uruguay, Chile, Scandinavia, England, Poland, Mexico, Costa Rica, Argentina, Peru, Indonesia, Israel, and Turkey.

Later in 2001 the team of REDUCE FAT-FAST®, hired the services from a third-party Laboratory, the most well respected one, in France, when it comes to Natural products, to perform 4 clinical studies to prove that the proprietorship formula of REDUCE FAT-FAST works.

The results were:

**STUDY NUMBER ONE** SHOWED THAT THE ACTIVE INGREDIENTS ON *REDUCE FAT-FAST'S* FORMULA DELAYS THE BODY'S NATURAL TENDENCY TO ACCUMULATE EXCESS ENERGY FROM FOOD SUCH AS FAT

(REDUCING THE POSSIBILITY OF GAINING WEIGHT) AND ACCELERATES ACCUMULATED FAT TO BE ELIMINATED AS ENERGY (INCREASING FAT OR WEIGHT LOSS).

**STUDY NUMBER TWO** SHOWS THAT A DOUBLE-BLIND STUDY WAS PERFORMED TO A TEST GROUP OF 60 CLINICALLY OBESE WOMEN. ON THE STUDY THE WOMEN (BETWEEN AGES 35- AND 40-YEARS OLD) IT SHOWED THAT THE *REDUCE FAT-FAST* GROUP HAD LOST TWICE AS MUCH AS THE PLACEBO GROUP AND, ON THE 30<sup>TH</sup> DAY FOUR TIMES AS MUCH.

**STUDY NUMBER THREE** WAS REALIZED ON THE TEST GROUP OF 1,430 ADULTS – 82% WOMEN AND 18% MEN. AGES VARIED BETWEEN 30- AND 57-YEARS OLD .97% OF THE GROUP UNDER THE STUDY REGISTERED A LOSS INDICATING THAT REDUCE FAT-FAST IS EFFECTIVE.

**STUDY NUMBER FOUR**, A TWO MONTH STUDY WAS CONDUCTED BY 100 DOCTORS, WHICH INCLUDED 421 OBESE ADULTS (375 WOMEN AND 46 MEN BETWEEN THE AGES OF 18 AND 65). RESULTS WERE EXCELLENT. 98% OF DOCTORS CONSIDERED THAT REDUCE FAT-FAST IS EFFECTIVE.

Then for better and faster results, the team of REDUCE FAT-FAST<sup>®</sup> developed the REDUCE FAT-FAST<sup>®</sup> Eating Program and the REDUCE FAT-FAST<sup>®</sup> Exercise Program REDUCE FAT-FAST<sup>®</sup> to be followed with the REDUCE FAT-FAST<sup>®</sup> capsules.

The World Health Organization has said on several occasions that the worst thing for human beings is a sedentary life. That even if it is going for a walk everyday minimum 20 minutes keeps our body healthy and thus avoid the risks of heart attacks, capped coronaries, and excess lipids in our body.

You only need to take 3 capsules of REDUCE FAT-FAST<sup>®</sup>, 30 minutes before meals with a glass of water. For better and faster results, the team of REDUCE FAT-FAST<sup>®</sup> recommends along with its capsules, the REDUCE FAT-FAST<sup>®</sup> Eating Program and the REDUCE FAT-FAST<sup>®</sup> Exercise Program. You take all 3 daily capsules at once or 1 or 2 before each meal.
